What is the Rotary Leadership Institute?

RLI educates Rotarians about Rotary. It provides both new and experienced members with an opportunity to learn about how Rotary works, and trains the future leaders of your club.

What are the courses?

The Institute offers a leadership course in three full-day parts (Parts I, II, III). Those completing each part are eligible for the next part. The courses are designed to provide Rotary knowledge and to develop leadership skills for voluntary organizations. Some examples of course sessions include *Rotary Beyond the Club*, *The Rotary Foundation* (2 parts), *Membership Development and Retention* (2 parts), *Leadership* (3 parts), *Service Projects*, *Vocational Service*, *International Service*, *Analyzing a Rotary Club*, *Creative Service*, *Public Relations*, *Changing Rotary* and other subjects.

Who should be nominated to attend the Institute courses?

The Institute recommends that clubs nominate those Rotarians who appear to have the potential for club leadership, not necessarily as future presidents. They should preferably be at least 3-4 years away from a possible presidency or other key leadership post. Candidates should certainly have a strong interest in Rotary and be ready to be exposed to the larger world of Rotary. The Institute requests each club to nominate one or two Rotarians each year and to support previous nominees in completing Parts II and III.

When and where are the courses held?

Courses are held at convenient locations within the RLI Atlantic Division Atlantique (D7810 and D7820) area. Any nominee may take a course in any location. Our Division has hosted Parts I, II and III courses before, and also offers facilitator training for those who have completed all 3 Parts.

What are the teaching methods?

The Institute believes in course sessions with as much discussion/participation as possible. Discussion breakout sessions are limited to approximately 10-15 persons. Lectures are strictly limited. Course methods include discussion groups, role-playing, problem solving workshops, creating projects and audio-visual presentations. Everyone participates during one of the Institute's sessions. A course workbook containing an Institute Manual, session program agendas, faculty listings and course outlines and materials, is provided to each attendee.

Who are the faculty?

The faculty members are carefully selected by the Institute for their teaching abilities. They are drawn from all areas of the member districts and occasionally from outside the member districts. Many are present and past RI directors, present and past district governors, successful past presidents and those with experience in special areas. Each new faculty member must attend an initial full day training program and various periodic reorientation programs. The results of course evaluations help the Institute to improve the course content and instruction.

Why do we need a leadership institute?

Rotary needs a constant influx of leadership as club officers, etc. change every year. It is difficult at the club level to learn enough about the exciting world of Rotary with its 1.2 million members in 166 countries. Furthermore, leadership skills in a voluntary organization are often different from business leadership skills. It is important that club leaders have every opportunity for education because the success or failure of our clubs depends in large part on the quality of their leaders.

What are the costs?

The current course fees are \$100 USD/\$100 CAD per registrant per day. The fees cover lunch, coffee breaks and considerable materials given to participants. Course fees also pay for meeting space, audio-visual equipment and promotional costs. The Institute strongly recommends that clubs pay the fees for their participants.

Should our club participate?

If your club cares about its future, it will want the best leadership possible. This is an outstanding opportunity for each club to improve the Rotary knowledge of its key people, who will also be exposed to new ideas of leadership. The exchange of ideas with other experienced Rotarians alone makes the courses worthwhile.

What is the Graduate Program?

After completing the three-part basic program, "graduates" are eligible to attend in-depth seminars held at selected locations in conjunction with regular courses. Each seminar runs for at least 2.5 hours in a morning or afternoon session. Registration fees are modest and meals are optional. Seminar topics and registration forms may be found on the RLI website.
